

NEW ELECTION  
IN PROSPECT  
FOR FRANCE

Little Known Politician  
Promises Answer Today  
On Efforts to Form  
A Government

## OUTLOOK IS UNCERTAIN

Paris, Sept. 9.—(AP)—De Gaulle's demands today for a revision of the French constitution as their price of support of a cabinet. Conservative Henri Queuille hopes to form.

The followers of General Charles De Gaulle, wartime French leader and first provisional president after the Germans were chased out, are Rightists. Paul Giscard, head of the De Gaulleists in the national assembly, said he insisted on elections next month to the council of the republic, the second French chamber.

He and other De Gaulleists talked with Queuille last night. He gave no detail of the exact change De Gaulle wants in the charter, but the general has said often the chief executive must have more power.

Queuille is trying to form the 14th French cabinet since the war. Robert Schuman's government resigned Tuesday after 64 hours in office.

Queuille immediately ran into Socialist opposition when he informed them of De Gaulle's demands.

The French public, anxious to see a cabinet formed to replace that of Robert Schuman, was uncertain whether Queuille could succeed—and if he does—of how long it might last.

Queuille, a 64-year-old doctor from Brittany, was a senator before the war. A Radical Socialist, he has held several cabinet posts since the war and was minister of public works and transport in the government which fell Tuesday night.

At an early morning news conference after consultations with party leaders, Queuille said one of his main interests in the consultations was to gain an accord on details of his program so there would be no difficulty in going before the assembly.

Although he spoke the dollar reached an all-time high of 420 francs on the black market as Frenchmen tried to put their money in a stable currency.

It was possible Queuille might get some support from followers of Gen. Charles De Gaulle, who previously had been excluded from cabinets. One De Gaulleist said he'd favor full power for Queuille if it were agreed that elections would be held before the end of the year.

Queuille did not consult the Communists, who were thrown out of the government 18 months ago. The Communists offered to participate, however, in a proclamation asking a "democratic government."

They adopted a conciliatory tone toward the European recovery program, which they have consistently opposed in the past.

**Attacker Is Identified By Dozen Girls**

Mt. Holly, N. J., Sept. 9.—The number of girls who have identified Robert A. Clyde, Philadelphia engineer, as the man who attacked them stood at 12 today and police said they were checking still more cases with which he might have been linked.

Three girls picked out Clyde from a police lineup at headquarters here yesterday. A 16-year-old girl from Philadelphia said he was the man who lured her from a carnival and attempted to rape her. Two 13-year-old girls from Tyrone, Pa., also named him as the man who attacked them, one this year and the other a year ago.

The string of identifications with Clyde's arrest here on a charge of rape on a Burlington county girl. Several detainees have been filed against him in the other cases.

Meanwhile, Capt. Harry E. McElroy of the Pennsylvania State Police said Clyde was being questioned about the unsolved murder of a 17-year-old Pennsylvania State College student, Rachael Taylor, in 1940.

**Georgia Governor's Chair Is Dusted Off For Talmage**

By The Associated Press

Georgia Democrats dusted off the governor's chair today for Herman Talmage, who occupied it for 67 hectic days last year.

The 35-year-old son of the late red-gallied Gov. Eugene Talmage held a widening vote margin over M. F. Thompson, his 1947 successor, in yesterday's primary election.

Talmage's claim that "victory is ours" was unchanged by Thompson, now the active governor. With the returns showing a three to one margin against him Thompson said "apparently Herman Talmage has won."

Young Talmage had campaigned under his father's banner of "white supremacy" and there were scattered reports of efforts to hold down the negro vote in the pri-

Marshall's Policy Of Firm  
Resistance To Disorders In  
Berlin Confirmed By Truman

Washington, Sept. 9.—(AP)—President Truman said today the United States is standing up for its rights in Berlin while continuing efforts to settle differences with Russia.

Mr. Truman thus confirmed Secretary of State Marshall's announced policy of firm resistance to Communist disorders in Berlin.

At his news conference, the president would not go farther into questioning of reporters. One newsman had reminded him that the Berlin situation was "heavy on the hearts and minds" of Americans.

Services For  
Crash Victim  
In Sheffield

Coroner Elmer Beatty of Mr. Keon county announced today that an inquest into the death of John Albin Sabes, Smethport RD 3, 23 year old son of Mrs. John Jager, of Sheffield, has been postponed until later.

Young Sabes was killed at 6:45 p. m. Tuesday in a truck-autobile accident at the Lafayette intersection on Route 218, about 12 miles south of Bradford, reported on Page three of yesterday's Times-Mirror.

Postponement of the inquest is due, Beatty said, to the fact that Andrew Abplanalp, 52, of Ridgely, driver of one of the cars involved, has not yet been discharged from the Bradford hospital.

Tom Jakstic, 49, of Crosby, operator of the truck which collided with the Abplanalp machine, is being held in the Kane borough jail facing involuntary manslaughter charges pending outcome of the inquest.

John Albin Sabes was born at Lewis Run November 21, 1924, and lived at Sheffield for 13 years, attending public schools at that place. He saw service in World War II with a record of action at Okinawa, Tinian and Guam. Upon his return from service, he lived at his home with his sister, Mrs. Marshall Jarrett, Jr., Smethport RD 3. He was a member of the Smethport Post American Legion, and of St. Elizabeth's church at that place.

His survivors include his mother and stepfather, Mr. and Mrs. John Jager, of Sheffield; two sisters, Mrs. Jarrett of Smethport and Mrs. Frank Svet, of Cleveland; a brother, Frank Sabes, of Smethport; Richard Jager of Sheffield, a half brother, and Henry and Fred Yanish, of Westline, step-brothers, and Miss Frances Jager, of Sheffield, a step-sister, also survive.

Requiem high mass will be held at nine o'clock Friday morning at St. Anthony's church in Sheffield, conducted by the Rev. M. J. Macken, of Clarendon. Burial will be in St. Callistus cemetery at Kane.

Borrowing Made Tougher By  
New Federal Reserve Rules

Washington, Sept. 9.—(AP)—Borrowers may find it tougher to get money today as the result of new Federal Reserve Board action aimed at cutting down on inflationary lending.

At least FRB officials hope so. Yesterday, in an effort to make lending funds scarcer, they ordered their member banks across the nation to put another \$1,900,000,000 into reserve vaults—where borrowers can't get at it.

But the officials are not highly optimistic. They said the banks, for the most part, can raise those extra reserve funds by selling government bonds, leaving other lendable assets intact.

By inducing banks to lend less, the FRB hoped to put a damper on the upward pressures on prices.

Its new action, using anti-inflationary power voted by the special session of Congress a month ago, raised the amount of money banks must have in reserve by an additional two per cent on checking accounts and 1½ per cent on savings deposits.

As a result:

1. New York and Chicago banks must keep as non-lendable reserves 25 per cent of their checking—demand—deposits and 7½ per cent of their "savings" or time-deposits, effective September 24.

2. Banks in other big cities must keep 22 per cent of their checking account deposits and 7½ per cent of their time deposits in reserve, effective September 24.

3. "Country" banks must maintain as reserves 16 per cent of their demand deposits and 7½ per cent of their savings accounts deposits, effective September 16.

Under the new law the Reserve Board could have made the terms stiffer on demand deposits—another four per cent for New York and Chicago banks and another two per cent on all other banks.

But it apparently wants to keep some ammunition in reserve while it waits to see what develops from this shot at inflation. Many finance experts have expressed fear that overdoing anti-inflationary measures would bring a deflationary swing that would be even worse.

**FRAYED LAMP CORD CAUSES TOT'S DEATH**

New Castle, Sept. 9.—(AP)—Janet Elaine Nelson, three-year-old daughter of Mr. and Mrs. W. Walter Nelson, R. D. 6, New Castle, was electrocuted last night when she brushed against a frayed lamp cord in her parents' living room.

Lawrence County Coroner Charles Allen who issued a certificate of accidental death said the child, apparently died instantly. The current, he said, apparently grounded through her body to a hot air register on which she was playing.

SPY INQUIRY  
SHIFTING TO  
ATOMIC FIELD

Four Witnesses Summoned  
Before Committee New  
Operating Behind  
Locked Doors

## FIND NEW EVIDENCE

Washington, Sept. 9.—(AP)—The congressional spy investigation shifted to the "field of atomic espionage."

Four witnesses were summoned before the House Un-American Activities Committee, now operating behind locked doors. Chairman J. Parnell Thomas (R-N.J.) declined to give out the names ahead of time. But he told reporters: "We are now getting into the field of atomic espionage."

The committee claims it has uncovered evidence that Russia obtained some wartime shipments of Uranium compounds and 25 pounds of refined metal from this country. It says it also has had testimony from a former army intelligence officer that some atomic scientists leaked information to Soviet representatives.

The House group is planning to resume public hearings next Wednesday when it may air some of the details. Rep. McDowell (R-Pa.) says a major witness will be Maj. Gen. Leslie R. Groves, who headed the wartime atomic bomb project.

Committee members stressed that no one has questioned Groves' loyalty or reliability. But they want to bring out any information the retired army officer might have about possible sources of atomic leaks.

The hearing schedule may be upset by a postponement in the questioning of Steve Nelson, chairman of the communist committee for western Pennsylvania. Nelson has been subpoenaed for an appearance this afternoon, but the committee agreed to hear him next Tuesday after he reported his wife was ill.

Also under subpoena to appear next Wednesday is Dr. Martin D. Kamen, who says he was fired from atomic bomb work at Berkeley in 1944 for "indiscretion." Kamen, now a professor at Washington University, St. Louis, said his discharge resulted from "a minor incident in which some Russian officials asked him questions about the atomic project which he declined to answer."

A House Labor subcommittee, meanwhile subpoenaed six other witnesses for a separate hearing to find out whether Communists dominate the CIO Fur Workers Union.

**SECOND WARRANT IS ISSUED FOR O'MALLEY**

Philadelphia, Sept. 9.—(AP)—A second warrant has been issued against former Chief Magistrate John J. O'Malley in the state investigation of his handling of gambling and lottery cases in central police court.

The charges in the new warrant were not disclosed. Reports said O'Malley would be served the new writ through his attorney, W. Bradley Ward, sometime today.

BABY IS DELIVERED  
AFTER MOTHER DIES

Salem, O., Sept. 9.—Two doctors didn't even take time to put on aprons or rubber gloves were credited today with saving the life of a baby girl by caesarian section fifteen minutes after the death of the mother.

The physicians, L. C. Ziegler and Paul Corso, took over the job of saving the baby while the attending physician, Dr. W. S. Eberhart, of East Palestine, tried futilely to save the mother, Mrs. Florence McRoberts, 45, of Enoch Valley, Pa. She died Tuesday of a heart artery failure.

The baby failed to breathe after delivery and Drs. Ziegler and Corso used all known methods of artificial respiration and finally succeeded in breathing life into the child. She weighed nine pounds, 14 ounces and was reported doing favorably in an incubator today.

Army Recruit  
Held In Jap  
Noose Death

Albany, N. Y., Sept. 9.—(AP)—A 21-year-old army recruit faced arrest today on a charge of first degree murder in the "Japan noose" slaying of a New York State Commerce Department employee.

The soldier, Howard Smith of Gloversville, N. Y., was brought here last night following his arrest at Fort Dix, N. J.

The arrest climaxed a four-day investigation into the bizarre death of Theodore F. Allen, 51, recently employed in the radio publicity department and a former National Broadcasting Company employee.

Allen's nude body was found early Sunday in his hotel room here. A twisted bedsheet had been looped around his neck and tied behind him to his hands and ankles in what police called a "Japan noose." It was so contrived, police said, that any movement by the victim tightened the noose.

District Attorney Julian R. Fryer quoted Smith as saying that Allen had made "improper advances" in the hotel room early Saturday morning.

The district attorney said Smith admitted trussing Allen with the sheet, stuffing a gag in his mouth and robbing him.

Fort Dix army authorities earlier reported that Smith signed a statement in which he said he fashioned the noose but that he had not intended to kill.

Russian Fighter Planes Maneuver  
Over American Sector Of BerlinFateful Symbols Of World  
War II Back In Draft Vogue

Harrisburg, Sept. 8.—(AP)—Those fateful symbols of world war I-A and 4-F will soon be back in vogue among thousands of young Pennsylvanians.

For classification of all young men eligible for registration under the new peacetime draft is about in get underway.

The state's 175 local draft boards have started sending out questionnaires which will be used to determine the classification of all those available for each of the registrants.

The symbol 1-A will be used to military services. Persons with dependents will go into the 3-A category, while those deferred because of civilian employment, except in agriculture, will be classified 2-A. The classification of necessary farm workers will be 2-C as in World War Two.

Other classifications include 4-A—those who have completed service; 4-B, deferred by law as elected officials, legislators or judges; 4-C, aliens; 4-D, ministers of religion or divinity students; 4-E, conscientious objectors to all forms of military service; 4-F, those deferred because they are physically, mentally or morally unfit.

Registrants who have no objections to non-combatant service will be classified as 1-A-C.

In addition there will be classifications of 1-D, members of the armed forces; 1-E, members of reserves or students taking military training; and 5-A, registrants who have attained the 28th anniversary of their birth since their registration.

When the task of classification is completed, registrants will be sent to induction centers for physical examinations in order of their birth. The oldest eligible registrants will be called up first.

Strike Of 170 Guards Idles  
50,000 In Detroit Plants

By The Associated Press

A strike involving only 170 independent union workers made idle some 50,000 auto workers in Detroit today and threatened to force others from their jobs in the motor industry.

The 50,000 laid off in auto plants boosted to more than 115,000 the number of workers made idle in the nation's major strikes. Some 64,000 workers are involved in strikes in the west coast oil and shipping industries and in the New York-northern New Jersey trucking business.

A walkout of 170 plant guards at the Briggs Manufacturing Company in Detroit was followed by a shutdown of eight plants and a layoff of 25,000 workers.

Plants closed after CIO United Auto Workers refused to cross picket lines.

About 19,000 employees at Chrysler Corp. and 6,000 at Packard were laid off because of a shortage of Briggs bodies and a complete shutdown of the plants was likely if the strike continues.

The strike by the members of Local 114, United Plant Guard Workers of America, was called in support of demands for 15 minutes paid preparatory time.

There was no indication of an early settlement in the trucking strike involving some 15,000 workers on strike in a wage dispute while 6,800 independent union workers have respected the CIO picket lines. There was one strike settlement. The CIO United Electrical Workers withdrew picket lines from the Bucyrus-Erie plant in Evansville, Ind., strikebound since July 30 in a dispute over new contract. The company normally employs about 3,800 workers.

A state conciliation supervisor said after a meeting of union and Shell Oil representatives that the position of a settlement this week are more favorable than at any time since the strike started (Sept. 4). The other companies have agreed to reopen negotiations.

Meanwhile, programs were mapped for rationing gasoline in the west. There are 15,000 CIO workers on strike in a wage dispute while 6,800 independent union workers have respected the CIO picket lines. There was one strike settlement. The CIO United Electrical Workers withdrew picket lines from the Bucyrus-Erie plant in Evansville, Ind., strikebound since July 30 in a dispute over new contract. ERIE CONFERENCES  
OFFICERS RENAMED

Meadville, Sept. 9.—(AP)—The Erie conference of the Methodist church yesterday reelected all officers, lengthening the present one-year terms to four years.

Those remained included the Rev. George Braun of New Castle, secretary; the Rev. C. A. McFarlane of Cory, treasurer, and the Rev. V. L. Bloomquist of Fairview, treasurer.

Some 200 ministers and 100 lay members from Methodist churches in northern Pennsylvania are attending the 10th annual session of the Erie Conference.

Builders' Union  
Endorses Dewey

Albany, N. Y., Sept. 9.—(AP)—Gov. Thomas E. Dewey today won the endorsement of the executive board of a major AFL union in his campaign for the presidency.

The board of the Building Service Employees International Union, representing a claimed 175,000 members, pledged its support to Gov. Dewey.

The action of the group was announced by William L. McPetridge of Chicago, general president of the union, after he and other officers had conferred here with Dewey.

The step represented the first outright endorsement of Dewey by a major union.

William Green, American Federation of Labor president, has come to the presidential election as a committee representing several AFL international unions also is working for the election of Mr. Truman.

On Future Of  
Italy Colonies

Moscow, Sept. 9.—(AP)—Russia has suggested that foreign ministers of the Big Four meet in Paris tomorrow to discuss the future of Italy's pre-war colonies.

A British foreign office spokesman in London said he could not venture to guess whether it would be physically possible to get together on such short notice.

There was no immediate reaction at the state department in Washington. The problem is complicated by the fact that France has no cabinet.

If Britain, France and the United States agree, the Big Four would have but five days to settle a question which has remained unsettled since the war, despite long and frequent conferences.

The Italian peace treaty provided that the four major powers must reach a decision on what to do about Libya, Eritrea and Somalia by Sept. 15 or turn the problem over to the United Nations. The U. N. assembly convenes in Paris Sept. 21.

Russia proposed last week that the Big Four get together before the treaty deadline and Britain and the United States replied yesterday they were ready to do so. They asked Russia to set the date.

The foreign ministers held many conferences on the colonial question and then referred it to their deputies for study. The deputies worked on it for a year and finally sent the whole thing back to their chiefs, without agreement. There has been no public announcement of the positions of the four powers, but responsible sources have said even the western powers are in disagreement.

**Good Turkey Supply Forecast This Year**

Harrisburg, Sept. 9.—(AP)—Good supply of Pennsylvania turkeys was forecast today for Thanksgiving and Christmas dinners.

The State Agriculture Department predicted a crop of 1,246,000 birds.

This is four per cent under the 1,317,000 last year, but is far more than the estimated 24 per cent decline indicated last winter the department added.

Some growers plan to market their birds during the holiday season but the proportion to be marketed later is expected to be above normal the department said.

Kansas Curves And Talent  
From Tennessee Lead Parade

Atlantic City, N. J., Sept. 9.—(AP)—Tennessee talent and Kansas curves led the Miss America parade today.

Dorothy Dee, 19-year-old Miss Tennessee, held the lead on the talent side while Vera Ralston, 18-year-old Miss Kansas, dominated the beauty parade.

They were the first winners in the preliminary competition to name the nation's number-one beauty-with-brains, the 1948 Miss America. A crowd of 10,000 watched the competition last night.

Miss Tennessee, a resident of Chattanooga, appeared in a black one-piece gown with rhinestone design and sang two popular songs.

Miss Kansas appeared in her bathing suit and had to do nothing more last night.

Miss Tennessee, a 5 foot 7 inch blonde, said she had been studying voice for nine years, including a year at the University of Chattanooga, and also had studied piano, three years, violin, one year and dramatics two years.

Tonight the 55 participants in the Miss America contest split up again for more talent and beauty preliminaries. Girls from 43 states, nine cities, Hawaii, Puerto Rico and Canada are competing for the \$25,000 in scholarships.

Large Crowd At Opening Of  
Youngville Community Fair

Youngville, Sept. 9.—The first day of the community fair on Wednesday was a busy one, with a large crowd of exhibitors moving through the buildings and admiring the displays. At ten o'clock last evening a beautiful display of fireworks was featured.

Today's attractions include the seven o'clock band concert, and the Dog Show, which has the best awards ever, with a trophy in each class and ribbons for all winners. Fireworks will be repeated at ten o'clock tonight.

General judging of exhibits took place this morning, starting at 9:30 and at 10 a. m. the rabbit judging got under way.

The horse-pulling contest will take place Friday afternoon and the Horse Show of local classes will be at 8 p. m.

Saturday features include the Horse Show, both afternoon and evening, with the highest awards ever entered in a local show. A second band concert will be an attraction at 7 p. m. Saturday.

Among the interesting exhibits are the flowers of many varieties; also two displays of garden clubs, the Fairleigh Garden Club of Tidewater and the Brokenstraw Garden Club of this place.

Four adult Granges had exhibits in place last evening, each seem-

#### PAY SCHOOL DAMAGES

Six boys, ranging in age from 7 to 14 years, have been placed on indefinite probation by Special County Judge Robert N. Palmer, of Dunkirk, as a result of damage to the Fletcher school inflicted by them about a month ago. The court previously had indicated that the boys, or their parents, would have to make restitution and yesterday this amount was set at \$785. It covered broken windows, cleaning and painting, costs of glass blocks, replacing supplies and for Parent-Teacher dishes broken by the boys.

#### HAVING DIFFICULTY

Wallace Briggs, 19 of Russell, is having his difficulties at Chautauque Lake. Ten days ago, his car allegedly smashed in the doors at the Casino at Egan's Point and Briggs is free on \$100 bail pending a hearing Friday on a charge of illegally leaving the scene of an accident. Early Sunday, Police Chief William Carlson apprehended Briggs on a disorderly conduct charge resulting from a complaint regarding a disturbance in the hotel, contrary to law. Justice George Crandall imposed a \$25 fine and suspended a ten-day jail sentence.

#### CEASE WORK

The Dravo Construction Company, which has been installing new piers and steel in the railroad bridge at the depot, is expected to finish its work this week and to load its equipment for transportation away. According to Pennsylvania Railroad company officials the work of constructing the new spans will not be started this fall but will be deferred to another season, due partly to the inability to secure steel. The new piers built by the Dravo Company are considerably under than the former stone masonry and have had rocks and timbers piled up about them as protection against possible ice jams next spring.

#### GASOLINE FIRE

The danger of fire in the handling of gasoline was vividly demonstrated Tuesday afternoon when Leonard Albright, of Clarendon, was cleaning the carburetor of his car and had poured some gasoline on the part in order to burn it off. He carried the carburetor out of his garage into the driveway and touched it off with a match. The fire, before he could stop it, followed the trail of drops back into the garage and ignited the can of gasoline there. Mr. Albright had the flames under control by means of throwing a coat over the can when the Clarendon Fire Department arrived and completed the smothering of the fire. The only loss was the coat and the can, but a pointed lesson in the handling of gasoline is contained in the story.

### AMUSEMENTS

**TECHNICOLOR MUSICAL**  
**AT THE LIBRARY THEATRE**  
**FRIDAY THRU TUESDAY**

A more appropriate title could not have been chosen for Paramount's lavish and lyrical masterpiece, "The Emperor Waltz," which opens Friday thru Tuesday at the Library Theatre. For "The Emperor Waltz" is a king-sized romantic comedy with music, written, produced and acted by cinema sovereigns, which reaches a royal highness in majestic settings, bright comedy, rollicking romance and scintillating melodies. The story is by Brackett and Wilder, who, respectively, produced and directed the film which co-stars Bing Crosby and Joan Fontaine. All mentioned are members of that select Hollywood hierarchy—Academy Award winners.

Against the eye-filling Technicolor background of the Australian Alps and the splendorous court of Emperor Franz Josef, "The Emperor Waltz" tells the gay story of a brash young American phonograph salesman who includes a beautiful countess in his territory. He scandalizes the court by daring to make love to her; she lifts the royal eyebrows a little higher by daring to return that love.

With the aid of the dulcet Crosby croon, Bing high-pressures Joan into buying his line, utilizing his full bag of vocal tricks including his old "hoo-bon-hoo" and some new remodeling. He sings three numbers for which Johnny Burke wrote new lyrics. "The Emperor Waltz," "Friendly Mountains" and "The Kiss in Your Eyes." An oldie, "I Kiss Your Hand, Madame," is sure to have a re-birth of popularity after folks hear Bing warble it, and a lot of people are going to emulate Crosby's whistling of "The Whistler and His Dog." "The Emperor Waltz" is truly a great movie. It's been many years since such magnificence has been seen on the screen.

### Times Topics

#### REOPENS STATION

George Dyke, of North Warren, is reopening the service station on upper Market street under the name of "Dyke's Esso Service." Reliable service will be given to all cars including minor repairs.

#### ERIE VETS WIN

The Erie Vets semi-prof football team opened its season Tuesday night by defeating the North Braddock Mustangs, 42 to 6, in Erie Stadium. On Monday night at Jamestown, the DuBois Bucks defeated the Jamestown American Legion semi-pros, 6-0.

#### FIRE TRUCK BOND ISSUE

The Cambridge Springs borough council in Crawford county will ask the voters to approve a bond issue for \$70,000 at the November election for the purchase of a modern fire fighting truck and needed improvements in the water supply system for the community.

#### PLAN TO REBUILD

Crews of workmen will start on Wednesday rebuilding and repairing damage to the Mellander block, at Mt. Jewett, damaged in a \$20,000 fire. The fire damaged two second-floor apartments and caused extensive loss to the Harry Johnson pharmacy, and the J. B. Beere billiard room on the first floor.

#### FLAG POLE PLACED

When the Corry and Warren teams open the local high school football season at the new War Memorial Field next Saturday afternoon spectators will see for the first time the new flag pole which was erected this morning at the northeast corner of the field, by Steve Massa and his crew, consisting of Louis Rich, Sam Massa and Bill Massa, all of whom donated their services on the job.

#### VETERAN PRIEST DIES

Very Rev. Fr. Basil A. Kahler, 69-year-old Meadville native and a member of the Carmelite Order of the Roman Catholic church for 56 years, died at Spencer hospital Tuesday night after a long illness. A missionary for a number of years, Father Kahler served for the past 12 years as pastor of St. Cecilia's church at Inglewood, N. J.

#### BEES IN BIRD HOUSE

George Megown of Sharon, reports that a large swarm of Italian honey bees spotted a vacant bird house in his back yard, near the Seventh street entrance to Buhl park, and decided to take it over. They lost no time in setting up housekeeping and are nonchalantly going about their chores of storing up honey for the winter.

#### NOTICE

Notice is hereby given that pursuant to Act of Assembly approved May 24, 1945, the parties herein named will on September 13, 1948, file in the office of the Secretary of the Commonwealth and in the office of the Prothonotary of Warren County, an application for the registration of an assumed or fictitious name in the business; that the only persons owning or interested in said business; are Mattie Shine of 316 Pa. Ave. East, Warren, Pa., and Robert Shine, 115 1/2 Parker St., Warren, Pa., that the name of said business will be The Sun Shine Shop and will be conducted at 316 Pa. Ave. East, Apt. E, in Warren Borough, Pennsylvania. The purpose of the proposed business is the selling of Religious Articles.

### CORYDON

Corydon, Sept. 8—The clambake sponsored by the Volunteer Fire Department on Sunday, was reported a fine success, with over 200 persons attending.

Members of the Nazarene congregation and Sunday school motored to Bolivar Run for the holiday and attended a young people's rally.

Mr. and Mrs. O. A. Benton, Bradford, spent the holiday weekend with Mr. and Mrs. James Pascarella and son.

Miss Margaret Ann Dysart has returned to New York, following a weekend visit with her parents, Captain and Mrs. A. S. Dysart.

Miss Margaret Reid was a visitor here Saturday and Sunday and

has returned to her home in Oil City.

Holiday guests of Mr. and Mrs. L. R. Stryker included the Misses Mayme and Nellie Marsh, Miss Wilma Stryker and Mrs. Grace Lubold, of Warren.

Mrs. Mae Learn and son, John of Bradford, were Sunday callers of Mr. and Mrs. L. J. Learn.

Mr. and Mrs. David Counts and children, Bradford, and Miss Theodora Crooks, Warren, spent the holiday at the home of George Crooks.

Mrs. Nelson Crooks has been a recent caller at the home of her mother, Mrs. Eva Sullivan in Duke Center.

Miss Edna Hendrick, of Clarion, spent the weekend at the home of Mr. and Mrs. Lloyd Smith. Horace Hammond and Carl Swanson were Tuesday business visitors in Bradford.

### High Athlete Accepted For Air Forces

William Glenn Fitzgerald, Warren RD 3, has been accepted for enlistment in the U. S. Air Forces at Erie and has gone to Lackland Air Base for training.

Announcement of his selection is made by M/Sgt. Donald F. Miller, of the local U. S. Army and Air Forces recruiting station, located in the post office building.

Young Fitzgerald is well known in Warren and vicinity, having participated in various schools, sports and Scout activities. He played football with the Warren high school team for three years and won two letters on the track team.

He was an Eagle Scout, belonged to the Order of the Arrow, and had attended Boy Scout camp at Camp Olmstead for the past six years. He was a member of the Grace Methodist church.

Sgt. Miller points out that the U. S. Air Force is accepting at present only two high school graduates a month from this area, and welcomes young Fitzgerald because of his excellent background.

### Personal Paragraphs

The Misses Lesser, 311 West Third avenue, returned this morning from New York City.

E. L. Stein and Miss Mary Stein, Fourth avenue, have returned home after three weeks' visit with their daughter and niece, Mrs. Henry Pearlman, and family at Mt. Vernon, N. Y.

Mrs. Howard Turner, of Tidoute, with Mr. and Mrs. James Cuthbertson and family, Jamestown, have returned from a trip to the Thousand Islands and Canadian points.

When you see a "falling star" flash across the sky, you are really looking at a bit of a comet crashing into the earth's atmosphere. All or nearly all of the bright "falling stars" or meteors you spot are debris of comets.

### Temporary Trustee Is Named In Bank Sale

H. W. Conarro, of Warren, was yesterday appointed by Judge Allison D. Wade to act as trustee in the sale of the building of the Warren Savings Bank and Trust Company. Judge Wade also set the date for the sale as Wednesday, October 20.

The sale of the building will, to all practical purposes, wind up the liquidation of the Warren Savings Bank and Trust Company. In order to allow the Warren Bank and Trust Company to bid freely on the purchase of the property, which is Warren's largest building, an impartial temporary trustee was appointed to conduct the matter.

### East Side Store Is Involved In Sale

Nat Drake, proprietor of Drakes Five and Ten Cent Store on Pennsylvania avenue, east, announces the sale of the business effective this week to D. Ralph Stroup, of Cambridge Springs.

Mr. Stroup will conduct the business along the same lines as followed by Mr. Drake for the past eight years.

Mr. Drake said that he had no announcement to make concerning future plans other than a vacation, but that he does not expect to leave Warren.

You can talk all you wish while fishing, and the fish won't hear you. Only sounds that cause vibrations in the water affect them.

**FREEDOM—AMERICANS' HERITAGE**

When the Freedom Train visits Oil City September 18th, residents of this area will have the best opportunity to visit and inspect this traveling museum of American history.

It is almost a year since the Freedom Train began its 13-month criss-cross tour of the U. S. Fittingly its transcontinental jaunt started in Philadelphia, the birthplace of our nation and the freedom toward which a frightened world looks so yearningly.

If you have not visited the Freedom Train, you should make it a point to do so, since the train's itinerary brings it within a reasonable distance of your community. To date it has visited more than 250 cities; visitors have totaled more than 2,000,000, a daily average of more than 8,000 people.

By the time the train's tour ends on October 16, it is estimated about 3,500,000 people will have visited it and seen its priceless relics and documents, and between 40 and 45,000,000 persons will have participated in the Community Rededication Week exercises that have proved so inspiring wherever the Freedom Train has appeared.

The train bears 127 of the most famous of the original documents which have marked the development of individual liberties of this country from colonial days down to the present. The purpose of the touring exhibit is to make Americans everywhere aware of their heritage of democracy and more zealous in protecting it. Its treasured documents bring a new conception of the perils and hardships that our forefathers endured to bring into being a government in which the freedom and dignity of the individual are all-important. Under the government and the way of life set up under these documents, our forefathers were able to create and leave us this great, rich heritage that is ours today.

But the Freedom Train also serves to remind us that the struggle for human freedom is a constant battle. Especially in these days when our way of life is being challenged by a powerful foreign nation and its satellites. The inheritance of freedom that has been left us is not ours to squander nor to lose by indifference. The price of liberty must be the eternal vigilance of those who enjoy it.

**TWENTIES GET NEW BALCONY**

Those who can afford to carry them will be interested to learn that the Bureau of Printing and Engraving is preparing to issue a new \$20 bill. If you'll look at the back side of one of the present twenties, you'll see why. It shows a picture of the front of the White House. But it doesn't show Harry Truman's balcony on the South portico.

Most people think this is the back of the White House. The 1600 Pennsylvania Avenue, entrance side of the White House grounds, is usually considered the front, but it isn't.

Bureau of Engraving Director Alvin H. Hall says new official photographs showing the balcony have already been taken, and engraving plates have been made. Printing hasn't begun yet. But the new "balcony bills" should begin to show up in circulation in about six months.

Andrew Jackson's picture appears on the front of the bill. It will stay there. There isn't any chance that Harry Truman's likeness will be substituted, to go along with his balcony. It's against the rules to put any President's face on a coin or stamp while he's still living.

The present \$20 bill design, first to use the White House, was originally issued in 1929. That was when the present small-sized bills were substituted for the big bills of previous issues. There hasn't been a new design since.

**CLOTHING FOR THE NEEDY**

Like hundreds of other people in the community, members of the board of directors of the Warren Relief Association were faced with back-to-school problems, when they met for the monthly session Tuesday. Children of many needy families are destitute for suitable school clothing, and the Association extends this plea:

If all parents would inventory their children's wardrobe, it is likely that such things as skirts, sweaters, dresses, shirts, trousers or other needed articles would be found; clothes that your own children have outgrown that will gladden the hearts of some less fortunate child who is heading back to school. All donations will be gratefully received at Warren Relief Headquarters, 404 Market street.

And when you pass the Warren Relief's Milk Fund bottle, remember that the price of milk has gone "up" for "everybody." Your pennies, nickels and dimes do "make a difference."

## H-E-R-E A-N-D T-H-E-R-E

This And That: Two men who placed a ladder against the east fence of the War Memorial Field last Monday and viewed the High school games perched on the top thereof probably moved down from the bank of Pennsylvania avenue at Russell Field. Arrangements are being completed for the second annual charter night anniversary program of the Bradford Lions club to be held at the Emory Hotel September 22. Pretty hard to size up the forthcoming grid contest Saturday between Youngsville and Sheffield on the latter's field, since the Sheffield squad lacks experience due to loss of players and graduation while the Eagles still have eight lettermen. Considerable discussion in papers of the area over a recently-made claim that Chautauqua Lake is the highest U. S. navigable lake in the area—U. S. Geological Survey maps, copied on some maps, show Findley Lake elevation as 1,421 feet above sea level, Chautauqua, 1,308, Cassadaga, 1,303, Canadots, 1,359; Lake Pleasant, 1,301, Edinboro, 1,199, Lake LeBoeuf, 1,165 and Conneaut, 1,072—Lake Erie is listed at 573. We received one of those 50,000 booklets put in the mails last week to show why the state's four-cent gasoline tax will need boosting to maintain state highways. Issued by Gov. James H. Duff and Highway Secretary Ray F. Smock, the booklet is entitled "Pennsylvania's State Highways—Greatest Transportation System in The World. How Can We Keep It That Way?" The pamphlet does a good job of showing the vastness of the state's present highway system and the inadequacy of funds required for its maintenance and expansion. Pennsylvanians are urged by Gov. Duff to observe Monday, September 13, as Commodore

John Barry Day, in honor of the Revolutionary War hero, described by the executive as "one of the outstanding naval heroes in our country's history"—Barry commanded the brig Lexington when it captured the first enemy vessel to be taken by a commissioned American craft during the Revolutionary War. The Johnsonburg Shamrocks began an 11-game schedule with a 13-7 victory over the Portage Bulldogs before a crowd of about 3,000 people Monday night at Johnsonburg, and according to reports 500 fans witnessed the game from "outside the fence." Ridgway and Kane open the grid season in a battle on the Hilltop gridiron Saturday. Lot of interest in the announcement that one of Hollywood's top-ranking sagebrush actors, Johnny Mack Brown, the All-American cowboy, is scheduled for a personal appearance at the Columbia theatre soon. All Methodist churches in the borough and county are represented at the Erie annual conference being held this weekend in Meadville. Bill Byham, Kane left-hander recommended to the Hamilton Cardinals by "Red" Swanson, of this city, won his first start Monday night when he defeated Hornell 9 to 4, holding his opponents to six hits; he is expected to report to the Hamilton club next spring. Tip to Warren fans who may be planning to attend the World Series: All details may not be settled until the middle of September, but the Series will open in the park of the National League winner this year and the starting date will depend upon whether an eastern or western club wins the pennant—major league season ends October 3, and the Series probably will begin October 5, if an eastern club represents the National, or Wednesday, October 6, if it is a western team.

**YEARS AGO IN WARREN**

Interesting Items Taken From The Warren Evening Times

1928

The Warren County Weekly Review featured these advertisements: "Straight Run Gasoline" at the East Side Service station; Smokey the "CAL" cigar, strictly handmade, CR. Edris, Maker, 434 Pennsylvania avenue, west; Peerless garage, 413 Pennsylvania avenue, east; Willys-Knight, Overland and Wippet cars. High School Principal Floyd Bathurst announced that Richard Marker, son of Mr. and Mrs. George Marker of 110 Onondaga avenue, had been awarded a scholarship at Allegheny College. Marker was editor-in-chief of the high school yearbook, Dragon, for 1928, and was active in the debating club. . . . Captain Frank Phillips, trainer of Metro-Goldwyn-Mayer's famous lion, "Leo", was in town to exhibit his pet at the Library theater. Phillips was raised in Warren and has a host of friends here. . . . The Strollers, billed as "The Last Word in Dance Music", were booked for an engagement at Rocky Ridge in Kane. "Couples, 75 cents. Extra ladies—25 cents" . . . Arch Bristow in his "Animated Ads" said "Huckleberry blue is to be an ultra fashionable color this fall. And when dad sees some of the bills for the new coats, he'll be even a deeper shade."

1938

The Waram Motors, Inc., 307 Pennsylvania avenue, west, advertised these used car bargains: 1935 Buick sedan, \$395; 1936 Pontiac sedan, \$525; 1934 Dodge coup, \$245; 1930 Packard sedan, \$95. The Warren County Republican organization announced Judge Arthur H. James, candidate for governor of Pennsylvania, would be

## One Great American Trait

I always think it was a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles these different points of view.

I mean the tolerance of a Penn-

approach former for the better of his city seems; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

**Loss In Fire  
At Jamestown  
Over \$40,000**

Jamestown—Batting a dense gray and yellowish pall of smoke, eight firemen were affected by smoke poisoning while another was injured as they fought the Davis Furniture Corporation's No. 3 dry kiln fire Saturday night, with a loss estimated at \$40,000.

Its neighbor, VanStee Corporation, also suffered from smoke and water damage.

More than 60 firemen responded with every piece of the city's fire apparatus to combat the blaze caused from spontaneous ignition underneath one of the seven large truck loads of lumber with a total of 21,000 board feet of mahogany, oak, gum, and cherry lumber. Each truck had 3,000 feet of lumber on it.

Police Lt. Jerome A. Anderson and a detail of six officers kept hundreds of spectators away from the scene as firemen battled the fire with six hydrant streams. The lieutenant later ordered the police ambulance to the scene as a precautionary measure.

Although firemen used smoke masks, the dense clouds of smoke emitting from the burning lumber affected virtually every one of them, one way or another. The fire fighters found it necessary to pause in their efforts now and then for a breath of fresh air.

**Paving Work  
On Route Six  
To Start Soon**

Kane—Indications that work on the U. S. Route 6 paving program west of Kane will start within the next few days were seen with reports from property owners along the highway and with efforts of the Kane Chamber of Commerce to determine necessity for immediate detours.

One property owner was advised the initial work on the road would be the construction of two bridges which are located in such a manner that the highway would be blocked, forcing immediate detours. There was no verification from construction company engineers who are here at the present time arranging for the highway project.

Monday afternoon, the highway construction company representatives met with telephone and power company engineers relative to necessary line relocations.

State highway engineer crews are reported on final phases of their survey work on the project.

The new road, to replace the badly battered section between Kane and Wetmore, begins at a point about six miles west of Kane near the end of the section im-

**proved through Ludlow east, two years ago. The new route will bypass the old road and curves from that point to the Wetmore road intersection five miles from Kane by cutting through an Allegheny National Forest planting, returning to the present route at a point just below where the coal mine entrance road was constructed.**

# Depression Hits Skunk Oil Business and Old John Silver

By FRANK CAMPBELL  
NEA Special Correspondent  
Yarmouthport, Mass.—(NEA)—The skunk oil business ain't what it used to be.

That's the sad report from 80-year-old John Silver, whose business is killing skunks, rendering the oil from their carcasses, and selling it to mothers who, he says, are smart enough to know what to do for a croupy infant.

"It's the greatest known remedy for croup," says Silver. "I've had persons come from as far as Chicago to get a bottle of skunk oil. It cures aches, pains and muscular stiffness, too."

In addition, it clears the room of anybody whose duty does not require him to remain, but Silver did not mention that.

The trouble with business is not with demand which seems to hold up well enough. The trouble is with supply.

"I walked more than 200 miles last season," Silver says, "and didn't get a single skunk. In two years I've only been able to get one of 'em."

The current market price for the oil is \$1 a ounce. A few years ago, Mr. Silver said, "I sold it for 50 cents a pint, but the varmints are getting scarce, so I had to raise my price."

Unlike his namesake, Long John Silver, the pirate of Robert Louis Stevenson's "Treasure Island," the skunk trapper is an admitted 5 feet, 4 inches in height.

"How do I make the skunk oil?" Well, I'll tell you. First, I catch a skunk." Here the brown eyes twinkled. "Then I skunk it and cut away the layer of fat around the carcass. I put the fat in the oven in an earthenware pot and let it simmer. It has to be tried carefully," he added, "so it won't burn."

"When it's ready, I pour off the oil and strain it to remove the sediment." The trapper grinned. "Want to see some?"

Removing an eight-ounce bottle from a secret cache, he held it up to the light. "There it is," he said, "my complete stock—and," he added, "it's not for sale at any price. It's all I've got left and I may need it myself."

Describing his methods of trapping the skunks, Mr. Silver said he had his best luck on the shores of ponds.

"When I find a skunk in one of my traps, I approach the animal cautiously.

Here the trapper illustrated how he raised his 22 caliber rifle and fired the shot that meant

skunk oil in stock. "I have to be careful and walk up on the skunk real slow," he said. "If I don't, Mr. Skunk might get ideas and shoot first."

The trapper chuckled.

In answer to the unspoken question, he grinned. "Only once," he said, "it was when I was a kid. I found a skunk in the woods and mistook it for a cat. I was wrong."

John Silver laughed. "I buried my clothes and never made the same mistake again."

Mr. Silver said he learned his unique profession as a youth, from an elderly man in Dennis. "Been at it ever since," he added. "This rifle," he patted the satin-smooth stock of his skunking piece, "has killed more skunks than you could shake a stick at. It was given to me by Edward Hallett of West Groton, more years ago than I can remember. "It was built," he said with a note of pride, "in 1862 before the Civil War."

The rifle is indeed an antique. Stamped on the barrel of the eight-pound, 22 caliber weapon is the legend: "Frank Wesson, Worcester. Patent applied for, 1862."

"You might say," Mr. Silver grinned, "that my rifle is for sale. I think I can pick up another one for my business."

"Price?" Here the brown eyes twinkled again and the shrewd Yankee trapper caressed his chin. "I won't mention any price," he said. "I'd like to dicker, or maybe make a trade."

Shifting his rocking chair from the shade of the elm tree on his lawn to catch the late afternoon sun, Silver relaxed and lit his pipe. "Yes," he said, "it's quite a business. The season is short, Nov. 1 to March 1, and skunks are getting harder to find every year."

"Some days in this business, you can't make a scent!"

## New Walking Class For Big Horse Show

One of the many features of this year's Horse Show at the Youngsville community fair will be the Tennessee Walking Horse classes. The Plantation Walking Horse, officially known as the Tennessee Walking Horse, is of recent origin. The Tennessee Walking Horse was developed for the use of the plantation owners of the south who wanted a horse with an easy, ambling gait and which will canter straight so that he may be ridden between rows of crops. Slowly but surely the Tennessee Walking Horse is a "Walkin'" and a "Noddin'" its way north and into the hearts of all horse lovers. It is truly a great pleasure horse.

## Bombers Will Make Flights Air Force Day

Washington — (AP)—A huge B-36 bomber will fly over Philadelphia, Harrisburg, Scranton and Pittsburgh as part of Air Force Day, Sept. 18.

As part of the same celebration, a B-29 will fly 4,555 miles from Iceland to Pittsburgh. Presumably Pittsburgh and Iceland are too close to permit the kind of non-stop flight training the Air Force desires because the flight will be made by way of West Palm Beach, Fla., of all places. The ship is scheduled to arrive at Pittsburgh around noon, Pittsburgh time.

The B-36—which is 163 feet long, 220 feet wide and more than 46 feet high—is scheduled to make its Pennsylvania appearance at these Eastern Standard Times: Philadelphia, 11:20 a. m.; Harrisburg, 12:25 p. m.; Scranton, 12:54 p. m.; and Pittsburgh, 3:55 p. m.

The B-36 will begin and end its flight at Fort Worth, Tex. These giant bombers carry a crew of 15 and are designed to carry 10,000 pounds of bombs 10,000 miles. They can carry up to 72,000 pounds of bombs shorter distances.

## SRA Benefits For Veterans Are Expanded

Veterans of World War II who are unemployed by reason of a plant shutdown for vacation are generally entitled to Servicemen's Readjustment Allowance benefits, according to a statement today by David W. Levine, manager of the Warren office of the Pennsylvania State Employment Service.

Levine's statement was issued to clear up any confusion which might exist among veterans or employers regarding eligibility for jobless benefits of World War II veterans during vacation period. He explained that veterans of World War II who are unemployed by reason of a plant shutdown for vacation, and who lack sufficient longevity to qualify for vacation pay, are eligible for SRA benefits for the period of such vacation shutdown.

This right of veterans to collect SRA benefits for unemployment during the vacation shutdown period is based on a rule handed down by the Veterans' Administration and Mr. Levine advises all veterans coming under this ruling to visit their nearest local State Employment Service office and file their claims promptly.

## A MAN IN THE HOUSE By Florence Stuart

Chapter 31

"I'm getting up," Jane announced, showing signs of real life for the first time. "I'm getting up this very minute. Bring me some clothes, darling. And by the way, how are the streets for driving? Think the car will skid without chains?"

Aunt Mae told her emphatically she was out of her mind if she imagined she was going to the hospital this day or even the next. Perhaps by the following week.

Jane said, smiling, as she slipped on satin slippers and stood up, testing her strength. "Look, darling, haven't you heard that love works miracles? Well, it's working one right now. I'll drive to that hospital today. And it won't kill me, either."

"It may kill me, from worrying over you," Aunt Mae said wilyly. "But if you're determined, I'll do the driving. I'll get you a hot drink before we start. Maybe if you bundle up in your fur coat—"

Carl was asleep when they arrived at the hospital. "I won't make a sound," Jane promised the nurse. "If you'll just let me sit here by his bed until he wakes up..."

And when Carl opened his eyes and saw her sitting there, Jane slipped to her knees and held out her arms to him. Without a word she was saying that she wanted him to come home to her heart.

"Carl," she said. "Oh, Carl."

"Hello, baby," he said. "How did you get here? They told me you were ill."

"Oh, I was," Jane said. "For two days I ran a fever that practically blew up the doctor's thermometer. He thought it was pneumonia. But I knew better. It was just the orneriness burning up inside me. Now it's all gone and I feel fine. Darling, how are you? I didn't know until an hour ago that you'd been ill!"

She said, smiling through quick tears. "I want you to get well, quick, but not too quick. Because I want the fun of nursing you well." Her mouth worked. "I want to earn your forgiveness. I want you to love me the way you used to."

CARL was staring into her eyes. "There's nothing to forgive, honey," he said very gently. "And I've never stopped loving you. I never will. Don't you know that yet? Only—"

"Only what, darling?" And when he did not answer she said, and she was grinning: "Look, my pet, I've boned up on the post-mortems and I'm ready with all the answers. But the nurse said I wasn't to get you excited or talk too much, so I think from here on I'll confine my conversation to three little words. I love you."

Carl's hands fell on her arms and pulled her up to him. She felt him tremble and she saw the wonderful brightness in his eyes. But he said: "Maybe you're only being sorry for me. I want to come back to you, sweetheart, more than anything on earth. But only if I can make you happy, happier than any other man can. If you love some other fellow, I'll open my hands and let you go to him."

Jane half turned her head, so that her cheek was against his. "Look," she said, laughing softly. "Don't be so darned generous about giving me away."

His hand touched her hair. "I've made so many mistakes," he

## Anthony Morelli Scalise and Foltz Weds Ludlow Girl Ceremony August On September 4th 28th Is Announced

Ludlow, Sept. 9—Violet Louise Swanson, daughter of Mr. and Mrs. G. Daniel Swanson, Ludlow, became the bride of Anthony Morelli, of Warren, son of Mrs. Elizabeth Morelli, of this place, on Saturday, September 4, in an 11 o'clock ceremony performed in St. Callistus rectory at Kane by Father Daniel Dougherty.

The bride's only attendant was her sister, Mrs. Philip Jones, of Southington, O., and Louis Morelli, Erie, was best man for his brother.

The bride chose a gray gabardine suit, colonial gray satin hat, navy accessories and an orchid corsage. Mrs. Jones wore pearl gray gabardine, with wine accessories and a yellow rosebud corsage.

The wedding breakfast was served at 12 noon, at the Penn-Kane Hotel for 23 members of the immediate families.

Present from out of town were Mr. and Mrs. Philip Jones and children, of Southington; Chester Swanson, Cleveland, O.; Dr. and Mrs. Alfred Morelli, St. Marys; Louis Morelli, Erie.

Ludlow guests were Mr. and Mrs. G. Daniel Swanson, Mrs. Elizabeth Morelli, Mr. and Mrs. Vernon Swanson and sons, the Misses Millie and Gladys Morelli, Kent Swanson and Lee Morelli.

Upon their return from a wedding trip to Canada and the New England States, the couple will be at home to friends at 403 Madison avenue, Warren.

Mrs. Morelli attended Ludlow High School and was graduated from Edinboro State Teachers College, after which she taught school at Ridgway. For the past several years, she has been primary teacher here.

Mr. Morelli attended the local high school and was graduated from Hoff's Business College in Warren. He has returned to his employment at the New Process Company in Warren after serving four years in World War II, and holding the rank of lieutenant in the army.

Mr. and Mrs. Shirley Bean and sons, Ronald and Jim, returned Tuesday from a motor trip to Hempstead, Long Island, where they spent several days with their daughter and sister, Mrs. W. T. Koppenhofer, and her husband.

Mr. and Mrs. Robert R. Voigt returned to their home in Concord, Mass., after spending the holiday weekend with the latter's parents, Mr. and Mrs. Harry W. Conarro.

Albert and Sylvia Johnson, 15½ North Carver street, have returned home after spending a few days attending the Toronto Exposition.

White gladioli were used in simple decoration of St. Joseph's church on Saturday morning, August 28, when Father Alfred Bauer performed a 10:30 o'clock double ring ceremony to unite in marriage Doris Maye Foltz, daughter of Mr. and Mrs. John Foltz, Sykesville, and Joseph Paul Scalise, son of Mr. and Mrs. Joseph Scalise, this city.

Kathleen Edinger, organist, played traditional selections and accompaniment for the vocalist, Teresa Marie Fino, who sang "O Lord I Am Not Worthy", Schubert's "Ave Maria", and "Mother At Your Feet Is Kneeling".

Escorted by her father, the bride was attired in a lovely gown of white satin with seed pearl trim and long train. Her veil cascaded from a tiara of seed pearls, and her only jewelry was a pearl necklace, gift of the bridegroom. Her arm bouquet was fashioned of white roses.

Theresa Ann Scalise, sister of the bridegroom and maid of honor, wore pale blue marquisette, over satin. Her headpiece was a wreath of pink roses with blue ribbon and her arm bouquet was of pink roses.

Samuel T. Scalise was his brother's best man and ushers were N. Anthony Scalise and Peter Scalise.

Mrs. Scalise chose plum color with black accessories and wore a corsage of pink roses and Mrs. Foltz was in navy, with matching accessories and a red rose corsage.

Breakfast for 30 members of the immediate families followed at 11:45 a. m. at the YWCA, and from two until four in the afternoon a reception was held in the Scalise home.

The guest list included Mr. and Mrs. John Foltz, Mr. and Mrs. Max Foltz, Mr. and Mrs. Neal Beaton, Peter Scalise and Deborah Moss.

The bride was graduated by the Philipsburg State Hospital School of Nursing and is employed at the Warren State Hospital. Honoring her with pre-nuptial showers were Mrs. N. Anthony Scalise, Theresa Ann Scalise, Miss Kent, Mrs. Ward and Miss Boyd.

Mr. Scalise is an alumnus of Warren High School and was graduated by Edinboro State Teachers College with a bachelor of science degree. After serving two and one-half years as psychological instructor with the armed forces, he is now employed as assistant manager at the Darling Jewelry Store.

## German Population in The Four-Power Capital Excited by Air Show

(From Page One)  
The letter, one of the sharpest in a long series of exchanges between Kotikov and Howley, ignored the fact that the Russian-controlled police broke into the American offices, brushed aside an American liaison officer, rifled the files and carted off the 19 police who had sought refuge there.  
The Western sector police had sought refuge after Communist demonstrators invaded the City Hall, using battering rams, while Soviet troops armed with tommy-guns stood by.  
Howley's headquarters said he was preparing a sharp rejoinder to Kotikov's letter, which, as customary, was published in the Russian-controlled newspaper before it was delivered to Howley.  
Berlin's anti-Communists, meanwhile, prepared to give their own defiant answer to the Russians and German Reds with a mass demonstration tonight in front of the burned-out Reichstag building in the British sector, near the Soviet sector border. Slogans for the rally were "Fight the Terror in the Russian Sector" and "Freedom for the Russian Sector."

## Obituary

Unless otherwise stated, visiting hours at Warren's funeral home are from 10 a. m. to 12:30 p. m. and 7 to 9 p. m.

**NARCISSA L. FARMER**  
Mrs. Narcissa L. Farmer, well known Clarendon resident, passed away at 6:05 p. m. Wednesday at the Barley Nursing Home, following a long illness. She was born in Mercer county on August 24, 1862, and had been a resident of Clarendon for the past 65 years. Widow of Samuel C. Farmer, she leaves one sister, Mrs. Emma Sewell, in South Carolina.

Removal has been made to the Peterson Funeral Home, where friends will be received at the usual calling hours until noon on Saturday. Services in her memory will be held from the Clarendon Evangelical United Brethren church at two o'clock Saturday afternoon. Rev. C. C. Van will officiate and interment will be made in Oakland cemetery.

**PHILIP GEORGE**  
Philip George, 65, prominent resident of Bradford for 45 years, died in Bradford Hospital at 2 p. m. Wednesday after an illness of several months. Mr. George was taken ill last February and was admitted to the hospital on Aug. 25.

He was born in Italy on March 26, 1883, and came to the United States when a young lad. An oil lease worker, he was employed by the Smith-Newton Oil Co.

He was a member of the St. Bernard's Church. Survivors include his wife, Mrs. Flore George; six daughters, Mrs. Pete Buffa, Bradford; Mrs. John Pantuso, Lewis Run; Mrs. Ralph Mangus, Bradford; Mrs. Lloyd Tuttle, Wooster, O.; Mrs. Maurice Crump, Warren, and Mrs. Frank Frontino, Buffalo, N. Y.; six sons, Anthony, John Alexander, Andrew, Philip Jr., and James George, all of Bradford; 20 grandchildren; and one brother, John George Giordano, of Lewis Run.

A prayer service will be held at 7:15 a. m. Saturday with a Requiem High Mass in St. Bernard's church at 8 o'clock. Burial will be in the family plot in St. Bernard's cemetery.

**KENNETH GEORGE FAUL**  
Services in memory of Kenneth George Faul, son of Mr. and Mrs. George Faul, 49 Clark street, who passed away at his home yesterday, will be held from the Templeton Funeral Home at 2:30 p. m. Saturday. Rev. J. C. Wygant, pastor of First Evangelical United Brethren church, will officiate and interment will follow in Oakland cemetery. Friends are being received at the funeral home at the usual hours.

**MRS. VIOLA DUNN**  
Word has been received here from Wayne, O., that Mrs. Viola Dunn passed away September 7 at Fremont Memorial Hospital, aged 41 years. She was born at Millstone, Elk county, in 1907. She leaves one son, Robert Dunn

Britton, of Wayne; three brothers and two sisters, Howard Britton, Niagara Falls, N. Y.; Perry Britton, Warren; William Britton, Cyclone; Mrs. C. W. Smith, Corydon; Mrs. Inez Harper, Toronto, Ontario. Her father has been for many years an employee of the Bradford Supply Company in Wayne and Bradford. Services are being held at Wayne and interment will be made in Graham cemetery at that place.

## Moves Ahead To Maintain Steel Yield

Washington—(AP)—The commerce department plans to move this week aimed at keeping steel production high or raising it.

It already has gotten nearly ten percent of steel earmarked for "essential" users.

Secretary Sawyer counts on the two projects to assure the industry badly needed scrap so that there won't be any steel-making capacity idle for lack of that vital raw material.

He has invited the nation's iron and scrap dealers to meet Wednesday and give their views on setting up a private corporation to be exclusive buyer of scrap in Germany for export to this country. The department would then allocate this scrap along U. S. users.

He has scheduled Thursday a meeting of trade association executives to arrange a drive to collect iron and steel scrap material from industry, auto wreckers and farms—but not households—so it will get into the flow to steel mills faster.

Already, Sawyer's aide say, efforts to get scrap moving back here from Germany have begun to pay off in shipments of steel. They contend, however, another step-up can be gained if a single buying agent is established for U. S. buyers of scrap from Germany. Earmarking of steel by voluntary agreement of that industry to programs sponsored by the department for benefit of "essential" users will really begin affecting the movement of steel next month, when a lot of the newly adopted programs get under way.

## School Issue At Kiantone Is Unsettled

Jamestown Post-Journal: The residents of three insurgent Kiantone school districts continued to oppose centralization with the opening of their own private school as the newly formed Frewsburg Central School District started the fall term minus 29 pupils from those areas.

Only seven children from Kiantone reported at 9 Tuesday morning to register in Kiantone School No. 2, which was recently seized with the aid of State troopers for use by the Frewsburg Central School District in the operation of the central school this year.

Children attending the private school include all the students from districts No. 1 and 2, and two from district 4, with the exception of a few of high school age, who are being sent to Jamestown at the parents' expense. The number of pupils attending the centralized school are 10 from District No. 4; seven from District No. 2 and two from District No. 1. Denied the use of the building last week in Buffalo when Supreme Court Justice Hamilton Ward refused to grant a temporary injunction restraining Frewsburg from using the building, residents of Kiantone opened their own school in the Congregational Church.

Financed by unsolicited funds which have poured into the village since their battle against centralization gained statewide prominence after the fight with state police Aug. 23 in a vain attempt to prevent seizure of the Kiantone District No. 2 school building, the

school is expected to be maintained until October. At that time, according to a spokesman for the insurgent villagers, action against the Frewsburg Central School District for a permanent injunction will be taken in Supreme Court in Mayville.

**STEALING LANTERNS**  
Harry B. Smith, foreman of Titusville streets, has asked the police department to keep an eye on the North Perry street sewer construction at night to see who is making off with the red warning lanterns. Two have been stolen from the job within the past few days.

**KANE REGISTRATION**  
Kane's two voter registration days added 471 voters to the eligible list but a Democratic upsurge cut the four-to-one margin by less than two to one when the final count was made. Republican total for the two days was 303 while the Democrats registered 155.

**AIDING DRAFT BOARD**  
Members of the Service League of Titusville have volunteered to help register men for selective service at Titusville high school, beginning Tuesday and continuing through Sept. 18. Titusville teachers who have been serving as registrars will be unable to continue because school begins today.

**MONEY UNCLAIMED**  
The more than \$100,000 in lost securities which were found along the highway east of Kane by a resident of that community last week still remain in the Johnsonburg bank with no one having claimed them. The securities were in the name of Rev. Charles Sterrett of Batesburg, S. C., but an inquiry has brought no response.

**SWIM POOL POPULAR**  
A total of 41,266 persons, children and adults, passed through the turnstiles of the municipal swimming pool at Haddon Heights, Old City, during the past swimming season, according to the unofficial figures released by Russell Buckham, pool supervisor. The pool, open 93 successive days from Saturday, June 5, until Monday, September 6, averaged approximately 444 bathers per day.

**Our Policy on PONTIAC Deliveries and Prices**

Despite the fact that Pontiac has built over a half-million cars since the resumption of production after the war, demand still exceeds supply. In the face of this production record, those who place orders now will still experience some delay in delivery. If you

are among the many people who feel that Pontiac represents an outstanding value—and wish to order a Pontiac for future delivery—you will be interested in the following policy on retail distribution which we, as Pontiac dealers, will observe:

**WE WANT YOUR ORDER**

And the sooner you place it, the sooner you will get delivery. So if you want a Pontiac, order it now.

**WE WILL ESTIMATE DELIVERY DATE**

Due to conditions beyond our control, we cannot give you an exact date of delivery. But based on anticipated future shipments from the factory, we will, when you place your order, give you an honest estimate of when you may expect your car. Such estimates will be reviewed any time on request.

**ORDERS FILLED BY PRIORITY**

A definite proportion of the cars we receive from the factory is set aside for preferential delivery to users whose work is in the public welfare and to others with certain occupational requirements. Otherwise, all orders will be filled on the basis of the time when they are received.

**YOU SPECIFY ACCESSORIES**

While most of our customers order their cars equipped with accessories, we do not force accessories as a condition of sale. You specify what accessories you want when ordering your car, and these are the ones (and the only ones) it will carry when delivered. Some items may be lacking due to current shortages; but none will be added.

**YOU PAY FACTORY-SUGGESTED PRICE**

Due to changing economic conditions, we cannot, when you place your order, tell you exactly how much the car will cost when delivered in the future. But, at the time of delivery you will be charged only the factory suggested price on your model—which will be shown in a published list of local prices.

**REGARDING TRADE-INS**

Naturally, if you have a car to trade, we would like to have it in order to take care of our regular used car customers. Our appraisals are fair, based on current conditions. But if you do not have a car to turn in, we still want your order and will accept it for delivery based on the conditions outlined above.

Since this is our "home town", our business and its future is based on our good relations with the people of this community. We are most happy that so many people here—as all over the country—have made Pontiac their number one choice as a new car.

Nothing pleases us more than to turn over the keys of a new Pontiac to one of the many people whose orders we have, because we know they have chosen well—for Pontiac is always a thoroughly good car, and a thoroughly good value, this year, next year, any year.

Daisy Sale To Aid Blind Is This Weekend

When you are approached by an attractive young lady and asked to buy a daisy on Friday or Saturday of this week end, you will be reminded that the Warren Lions Club is putting on their annual Daisy Sale held each year as a benefit for the organizations Blind and.

During the past year they have expended the total amount of money received from the 1947 Daisy Sale. Over fifty cases were submitted for examination and classes when necessary. Approximately one dozen white canes were provided for the blind of Warren county. The money received from the Daisy Sale is all used for eye examinations, glasses, and white canes. Each case is investigated by the Lions nurse and approved by the club blind fund committee. Daisies will be on sale in many of the Warren county communities on this date and in Warren borough the sale will be handled by the same girls' club as previous years. Please buy a Daisy.

**LOBLAW NEWS**

School bells are ringing again and mothers everywhere are giving a lot of attention to preparing their children's school lunches. A school schedule with its study and athletic program requires a lot of energy. You can help your children to help themselves to good grades by starting them off every morning with a substantial breakfast. Fruit, cereal, bacon and eggs, and a glass of milk will do a lot in helping your children to solve their daily problems.

Swift's Peanut Butter, Clover Lane Salad Dressing, Salerno Butter Cookies and Armour's Deviled Ham are just a few of our good lunch food items, and when it comes to fruit there is nothing finer than a bunch of seedless grapes for lunch box or breakfast—and you can get two pounds of these sweet California grapes for only 27c.

More people every week are finding out that Loblaw's really have foods that are good to eat at reasonable prices. You will find that week after week Loblaw's will prove to be a real friend to your food budget.

**CLOVER LANE SALAD Dressing**

We have made many important tests on this dressing and it always comes out with a high rating. It's an outstanding Loblaw value. Buy a quart this weekend and see how rich and smooth it really is.

## Plans For Homecoming Game Outlined To Sports Boosters

Meeting in the Y. M. C. A. last night Warren Sports Boosters have outlined plans for the homecoming football game, honoring members of the undefeated Warren High School 1928 football team, to be held September 18th. They also discussed plans for the stag smoker to be held in honor of the team at the Marconi Outing Club on Friday evening September 17th.

In addition to the lettermen of the 1928 squad the Sports Boosters are inviting to the smoker and the homecoming game additional members of that squad. They are: J. E. Greal, Fred Donovan, Troy Martin, Joe Scallies, Paul Pitman, Louis Evans, Stanley Lyle, Anthony Oriole and Phil Reynolds. It is hoped all these squad members will be on hand at the smoker on the 17th as guests of the Sports Boosters and also attend the homecoming game the following afternoon.

Tickets for the smoker are in the hands of the following committee: M. A. Kornreich, chairman; Nick Croila, James Scallies, Sam Cosmano, Lynn Branch, Creed Erickson, "Babe" Smith, L. C. Niederlander, "Red" Swanson, Francis Moore, Don McComas, L. A. Blair, W. E. Rice, Richard Schumacher, Gerald Ostergard, Ray Reed, "Ted" Berdine and president J. R. Elliott.

Next week additional tickets will be on sale at Mack's News Store, B & B Smoke Shop, United Cigar Store, Texas Lunch, Germania and Don Finley's. Reports on the sale of tickets must be made to M. A. Kornreich no later than Wednesday, September 15th. Acceptances from at least nine

further improvements, contingent upon a drive for additional funds which will be made in the not too distant future. He expressed his thanks to all those organizations and individuals who had donated extra help and service to bring the field to its present state of perfection and said that additional minor improvements to the field and its approaches would be made this season.

The Sports Boosters also voted to extend their cooperation to the Warren Red Jackets in assisting them with a "Booster Game" to be played sometime in November, probably the game scheduled with Niagara Falls.

It was announced that the next meeting of the Sports Boosters would be held on Wednesday, November 11th. At that time an effort will be made to secure several reels of current football movies furnished by the Atlantic Refining Company. They depict college and professional names of the past season and also show outstanding plays and scenes from some of the prominent games of last year. The membership will be informed at a later date as to final plans for the November meeting.

Donald R. McComas was appointed recording secretary of the Sports Boosters to serve until the time of the annual election of officers. He will take the place vacated by Wiles Halleck.

## Two Outstanding Attractions To Feature Annual Field Day At Wilder Field On Sunday

The annual Field Day of the Warren Field and Stream Club will be held Sunday, September 12, at Wilder Field. The fifth such event the local club has sponsored. Originally started as a fun-fest for the 2000 club members and their families, it has grown to be a public event featuring practically all out-door sports with rod and gun and archery equipment, as well as games for the enjoyment of young and old alike.

This Sunday the club has arranged two outstanding attractions to add to thrills and fun of the day—Bob Geesey in his now nationally famous act, "The Pistolier and His Pupils," and Claude L. Shafer in a balloon ascension and double parachute drop.

Geesey is one of the country's finest hand gun shots—and perhaps the nerviest—since he uses his good wife in the act to do such things as smoke cigarettes while he shoots the ashes off, etc. He is so accurate with a pistol that at 30 feet he shoots at the cutting edge of a meat cleaver and the bullet, cut in two by the cleaver, breaks two targets at the same time—one of each side of the cleaver. Ann Geesey is also a fine shot and does considerable of the gun handling herself.

Shafer is from Indianapolis, Ind., and is a well known expert in aerial ascension. His act at Wilder Field will consist of a free balloon ascension to 4,000 feet and a double chute drop—which is to say that after his first parachute

has opened he leaves it to complete the descent in a second chute.

The wildlife and forest displays are complete educational exhibits by the Pennsylvania Game Commission and the Pennsylvania Department of Forests and Waters. The wildlife display will contain about everything native to this section with the exception of grouse and bear and there is even some hope that a wildcat will be on hand, though this is yet uncertain. Wildcats, though not now a native, were formerly quite plentiful in the county and were undoubtedly the most vicious ever to inhabit our forests. A \$15 bounty and their vulnerability to trapping depleted them.

The forestry display includes a world of educational items, one of the most interesting being a display representing a sample of wood and bark from every Pennsylvania tree. This display was a collection owned by Dr. William Bairstow, formerly of Warren, and was donated to the Department of Forests and Waters by the Warren Field and Stream Club to whom Dr. Bairstow had given it. It represents 28 years of collecting by an ardent sportsman—and may give you or your boy an idea for a very interesting hobby.

Though the entire show will again be under canvas, the sportsmen are praying for "typical Wilder weather." This beautiful spot, erected and kept up by the National Forge and Ordnance Company for their employees is a particularly suitable spot for such an activity. Plenty of clean playground for the children, ample restful shade, picnic tables, lots to see, lots to do.

## Insanity Plea Not Planned In Hoge Case

Erie—Ralph (Jack) Hoge, 28-year-old Harborcreek father charged with beating his six-year-old son to death with an Army belt, will depend on the "fair-mindedness" of a jury to win acquittal next week in criminal court.

This was revealed by Hoge's attorney, Robert H. Chase, who said the defendant will not attempt to plead insanity.

"The defense will be based on our belief that Ralph never intended to harm, much less kill, his own son," Attorney Chase said.

Chase's declaration came in the wake of rumors that Hoge might enter an insanity plea regardless of the findings of several psychiatrists here and at Warren State Hospital. These psychiatrists have found that Hoge is sane but that the man apparently did not intend to inflict fatal injuries on his son.

"We cannot deny that a beating took place," Attorney Chase pointed out, "so we will place our case entirely on the fair-mindedness of the jurors."

Chase also revealed that he had seriously considered for a time the possibility that he would ask the court for a change in venue. He has abandoned that idea, however.

"We thought for a while that a trial before Erie jurors might be held in an atmosphere of prejudice against Ralph," Chase said. "Now we have decided that we will take our chances right here."

**A touch and you GO—that's DYNAFLOW!**

YES, it boils down to just about that. You start your engine, set a lever — and from then on your treadle foot takes over.

You press the accelerator — and move softly and smoothly away.

You speed up, slow down, halt completely — and your right foot alone, operating gas treadle and brake, does it all.

How come? Simply because Dynaflo Drive is the one passenger car drive in America that

gets completely away from gears which function in fixed stages.

Changes in the way oil flows, instead of changes in gears, adjust your engine power to your driving requirements.

Whether you are starting out, climbing a hill, surging past others or cruising easily, there's nothing for you to do except feed gas.

For very fast starts, extreme pulls, reserve braking power, you flick the selector lever—and your engine seems suddenly to double in size.

For parking, there is a very special setting, exclusive to Dynaflo Drive, that rigidly locks rear wheels.

Even rough and chattery roads are made smoother by power that flows along through a cushion of oil — your whole car is "sweeter" in its feel, far silkier in its actions.

Quite rightfully is Dynaflo Drive called the most important development since the self-starter.

It's a basically different way of transmitting power — and one you should know about firsthand.

See what your Buick dealer can do about arranging that for you. The merest sample of Dynaflo magic will make you want to place an order pronto, whether or not you have a car to trade!

## Chock-Full Activities Program Bidding For Joe Fan's Attention

There will be no need for sports-fan Joe Fan sitting around fiddling his thumbs for the lack of something to do or see in the Warren district in the next few days. In fact, there's so much activity that he'll likely have to go to the trouble of deciding which event he wants to take in.

The activities program starts this evening (weather permitting) with a classy softball tilt between the First Methodist and nights of Columbus teams. The next, the third and deciding game of a best-of-three series for the championship of the Church-YMCA Softball League, will be played on Beatty field starting at 6 p. m. EST.

The contest originally was booked for Tuesday evening, but had to be postponed until tonight because of rain.

Highlight of Friday's program will be the annual Bi-State Golf association's championship tournament over the 18-hole Chautauque Country Club course. Warren will watch this tourney with keen interest, since Toby Lyons, pro at the Conewago Valley Club, is rated one of the top contestants.

Saturday's sports card shows football and baseball vying for billing.

On the grid side, Warren High school Dragons will launch their 48 interscholastic football schedule by battling the Cory Beavers at War Memorial Field in Lexington, starting at 2:30.

A neighborhood scrap between two long-time rivals, Youngville and Sheffield, also will launch the 48 pigskin season for both of these high schools. The scrap will be played at Sheffield, starting at 3 p. m.

For followers of the diamond, a Warren V. F. W. baseball nine will square off against the Ludlow Wildcats Saturday afternoon on a State Hospital field at North Warren. The game will start at 3 o'clock.

Saturday evening will find a

number of Warren county sportsmen heading for New Castle for the big testimonial dinner honoring Pennsylvania Fish Commissioner Charles A. French. The affair is under the sponsorship of the Northwestern District of the Pennsylvania Federation of Sportsmen's Clubs.

Warren County Council of Sportsmen will have an important part in the program. The local group is in charge of transportation and arrangements for a group of Indians from the Complanter and Allegheny reservations to induct French and Gov. James H. Duff into the Indian tribe. Miss Phoebe Jewel, daughter of Mr. and Mrs. Myron Jewell of North Warren, also will represent the county in a gift presentation ceremony.

But wait a minute, there's still a full program ahead for Sunday. Big event will be the all-day Field Day sponsored by the Warren Field and Stream Club at Wilder field in Irvine. This event is a "must" on the program of hundreds of district residents, and the program this year will come up to expectations. Outstanding features will include a balloon ascension followed by a double parachute jump, an outstanding shooting demonstration and elaborate wildlife and forestry exhibits.

On Sunday afternoon, the Warren Red Jackets and the Erie Vets semi-pro football teams will execute a "change your partners" routine. Last week, the Red Jackets opened their season by dropping a 15-10 decision to the Creighton Tigers, while on Tuesday night, the Erie Vets posted a 42-6 triumph over the North Braddock Mustangs.

This Sunday, the Red Jackets will be paired against the Mustangs, while the Vets will take on the Creighton Tigers. The Red Jackets' tilt is slated for War Memorial field, with the kickoff at 2 p. m.

The top ranking Vandergrift Pioneer and the fourth place Johnstown Johnnies won their games last night in the opening round of the Middle Atlantic League playoffs.	

The first series are on a three-out-of-five basis with the winners to meet in the final seven-game championship set for the Governor's Cup.

Vandergrift scored a 10 to 6 victory over the third place Uniontown Barons on Herman Kiehl's grand slam homer in the seventh. Frank Wagner went the distance for the winners, giving up 11 hits.

The Pioneers and Barons met again tonight at Vandergrift. The third game and fourth, if necessary, will be played at Uniontown.

Johnstown knocked off the second place Erie Sailors 16 to 5 at Johnstown. Joe Tysko scattered eight hits and retired the Tars in order in the first five innings. A two-run homer by Vince O'Grady and a three-run circuit blow by Dick Stockton accounted for all the Erie runs.

That series moved to Erie tonight where the next three games, if that many are necessary, will be played. If a fifth is needed, Johnstown will be the site.

## Red Sox Dump Yanks Again To Lengthen League Margin

By JOE KEICHLER  
Associated Press Sports Writer  
The outlook appeared gloomy for the rest of the American League today as Joe McCarthy's battering Boston Red Sox boasted their largest lead of the season.

Coming from behind in typical Red Sox clubbing fashion, the murderous hitting Hubmen overcame their arch rivals, the New York Yankees, 10-6, last night, to increase their margin over the "pinstripes" to two and a half games.

In drawing first blood in their all-important three-game series with the Yankees, the Red Sox kept two streaks alive. They extended their latest winning skid to eight straight, and now own six consecutive triumphs against the Yankees. They have copped 22 of their last 26.

After the Red Sox moved in front, 6-4, the Yankees tied it up with single runs in the sixth and seventh innings.

The third place Cleveland Indians scored an unearned run in the last half of the 11th inning to nip the Detroit Tigers, 8-7, and remain four and a half games behind Boston. Larry Doby, who rapped out four singles to extend his consecutive hitting streak through 19 games, scored the winning run when Second Baseman Connie Berry threw wild to the plate on Wally Judnich's bouncer.

The Tigers had overcome a 7-3 deficit to force the game into extra innings. Bob Lemon, trying for his 20th victory, was shelved in the seventh. He allowed seven hits and gave up eight walks. His string of scoreless innings ended at 5 1/2 in the fourth. Sam Zoladak, Cleveland pitcher, was credited with the victory. Art Houtteman, charged with the defeat, dropped his 16th game. He has won two.

Philadelphia's fourth place Athletics swept a twilight-night doubleheader from the Senators of Washington, 10-7 and 5-2, to reduce Boston's margin over them to nine games.

Expanding for four runs in the eighth inning, the Pittsburgh Pirates defeated the Reds in Cincinnati, 5-1, and strengthened their second place position in the National League pennant race. They now own a half game advantage over the Brooklyn Dodgers and trail the front-running Boston Braves by three and a half games.

The Braves and Dodgers were idle. Johnny Schmitz limited the Cardinals to two hits in St. Louis, pitching the Chicago Cubs to a 4-2 triumph. It was the fourth place Cards' fourth consecutive loss and dropped them to five and a half games off the pace.

Andy Seminick walloped a two-run homer in the top of the ninth to enable the Philadelphia Phillies to nip the New York Giants, 4-3. Walt Dubiel went all the way to chalk up his seventh triumph. The Phils victory dropped the fifth place Giants six games back. It also pulled the Phils out of the cellar by a half game.

The scheduled doubleheader between the St. Louis Browns and White Sox in Chicago was postponed because of rain.

### SPORTS ROUNDUP

By HUGH FULLERTON, JR.  
New York, Sept. 9.—(P)—It probably would be poetic justice if Billy Meyer, who toiled to develop players in the Yankee farm system for so many years, should lead his Pirates against the Yanks in the World Series. . . . And if that should happen, Billy probably would put in several sleepless nights thinking about the power produced by his ex-pupils.

Rookie Hank Bauer (not eligible for the series) gave Meyer a sample one day when Billy was managing Kansas City and Hank was laying for the Blues. . . . Meyer was coaching at third when Hank lined one right at him. Billy couldn't even move before the ball struck him under the heart and he went down and out. . . . The fans were about ready to buy flowers, but Meyer recovered and resumed his duties the next day. . . . Thereafter Billy was exceedingly cautious when Hank approached the plate and he always tabbed Bauer as a real powder river puncher.

## Hamilton Winner Over Jamestown

By The Associated Press  
The Hamilton Cardinals were favored today to take one Pony League semi-final playoff series, while the Bradford Blue Wings gave clear notice they intend to win the second series.

The Cards won their first game of a best-of-seven schedule with the second place Jamestown Falcons 4-3 last night at Jamestown.

The fast rising Wings invaded and shut out the Batavia Clippers 10-0 to earn the right to face the pennant winning Lockport Reds at Lockport in the second series starting tonight. The Wings and Clippers deadlocked for fourth place at the season's close Monday.

The Cards and Falcons meet again tonight at Jamestown before the series shifts to Hamilton for two games. The Wings will play two games at Lockport before the series transfers to Bradford.

### SUDBURY WINS BERTH IN THE PLAYOFFS

By The Associated Press  
The Sudbury Reds, who sneaked into an Interstate League playoff berth by the skin of their teeth, trounced the Trenton Giants 4-2 last night in the opener of a seven-game semi-final post-season series.

The Reds, who finished in fourth place in the regular season's play, were forced to come from behind in defeating the Giants, second place club in the Class B Circuit. The first game of the other semi-final series, involving first place Wilmington and third place York, was rained out.

### New Plan To Cut Fire Loss In Youngsville

Youngsville, Sept. 9.—The local fire department is working on a new method of preventing fire damage through advertisement and sale of home type fire extinguishers. In a letter sent to property owners, the department states its objectives are to: (1) Prevent serious loss of life. (2) Save calls to the fire department. (3) Check fires until the department arrives. Sale of this equipment is expected to help the department in its efforts to raise the funds needed to create a good fire company.

School opened Tuesday morning with a good enrollment and interest. The first grade, with Miss Minnie Hansen as teacher, had a roll call of nearly 50 pupils. Miss Rhea Anderson, who has been spending the last three weeks as guest of friends and relatives in Youngsville, Warren, Corry and Jamestown, N. Y., has left by plane from Buffalo, N. Y., for her home in Los Angeles, Calif.

Mr. and Mrs. E. Wayne Chitester are in Burlington, N. Y., where they are employed.

Mrs. William Hesburn, who is ill, is reported improving.

William Meisen and family are located in the Thomas Wolfe house on Bates street.

A number of Youngsville people spent the Labor Day vacation at various points along Chautauqua Lake.

Mr. and Mrs. Herman Ruhman, after taking a short southern trip, visited the Toronto Fair in Canada. Saturday, in company with the former's sister and husband, they attended the Air Races at Cleveland.

Frank Black, who is on a western trip, wrote recently from Santa Cruz, Calif., that he was seeing some beautiful country.

Glad to report that Mr. and Mrs. Fred Bowers who have been ill are better. Mr. Bowers lost a swarm of bees, which got away because he was too ill to stop it.

Mrs. Blanch Kirkham has returned from a two weeks' vacation, part of which was spent in Canada and the rest with her niece in Brockton, N. Y.

At a meeting of the afternoon group of the WSCS, held at the home of Mrs. Willis Kinnear, reports were given of lectures and mission work studied at Chautauqua this summer, three local representatives having attended the School of Missions. At the business session, in charge of the president, Mrs. H. H. Husted, plans were made for the October meeting with the Erie Conference WSCS president, Miss Armstrong, as an invited guest. Plans were also considered for an autumn rummage sale. A delicious luncheon was served by the hostess, Mrs. Kinnear, assisted by Mrs. Nellie Martindale and Mrs. Belle Sample.

Girl Scout Troop 58, under the leadership of Miss Betty Husted, enjoyed a long hike through the woods Friday afternoon. After the hike the girls gathered at the pleasant home of Miss Angeline Kerchak, East Main street, where they roasted corn, wieners and marshmallows over an open fire out of doors. Miss Kerchak and her mother, Mrs. George Kerchak, also served other refreshments completing a delicious meal for the Girl Scouts.

George Taylor will leave Sunday for Pittsburgh, where he is entering the freshman class of Pittsburgh University.

Mr. and Mrs. Frank Pelton and family of Kingston, Pa., were guests this week of Mrs. Nellie Anderson. Mr. Pelton, a former Youngsville resident, now heads the department of education and

**IN ST. VINCENT'S** Friends will be sorry to learn that Frank E. Redding, of East street, is a patient in St. Vincent's Hospital, Erie. Latest reports indicate he is doing as well as can be expected.

**SHOPLIFTER LIFTED** A transient bum, who was picked up by local police for doing a little shoplifting in a local store, was himself lifted in the police car and transported to the county jail on Market street where he will contemplate the error of his ways for a period of time.

**DEDICATORY SPEAKER** Rev. Claude E. Servey, Franklin, who is superintendent of the Pittsburgh Conference of Evangelical United Brethren churches, will be guest speaker at 10:45 a. m. Sunday in Salem church when a special service is said for the dedication of a new Hammond organ.

**SPECIAL RECORDING** At 2:30 p. m. today, WNAE listeners had opportunity to enjoy the special wire recording made at the same hour on Wednesday by LeRoy Schneck, program director, when Mr. Alton airport was officially welcomed to the United Airlines sky-route. With acceptance of the port by the airline, it is possible to fly to New York in two hours and 20 minutes, including a stopover at Philadelphia. Mr. Schneck's recording included a close-up of the christening of the "Bradford-McCann" plane when it arrived in early afternoon, one of the city's most charming young ladies handling the flask of crude oil with which the rites were carried out. Mr. Schneck flew to the festivities in a Fairchild piloted by Ken O'Day from the local airport.

**BULLETINS**

## Market Quotations

New York, Sept. 9 (A)—A flurry of selling on the stock market today pushed prices downward on the heels of yesterday's decline. An accumulation of news developments topped by the Federal Reserve Board's increase in reserve requirements of member banks all were given a bearish interpretation in Wall Street.

Stocks sold off major fractions almost immediately trading contracted with subsequent deals being made at near the lowest levels.

One block of 1,500 shares of U. S. Steel changed hands 1 3/8 lower. That downward pattern was followed by others.

## ROMANTIC GREY

As seen in our Fall Opening

A New, Clear Deep Grey—  
Gracious as a Gentle Lady

### Featured in Our Exclusive Cambrooke Coats and Suits

Two ideas, but with one thought in mind, to make you look like the gentle, gracious lady who is the symbol of fashion for Fall 1948. "Romantic Grey"—a clear, deep grey that is pure flattery to every wearer. Interpreted in Cambrooke coats and suits, exclusively ours, exclusively new fashion with their soft, gentle lines, their sleeker look, their lovely feminized detailing.

#### RIGHT:

CAMBROOKE Women's Half Size Fur Trim Coat of 100% Wool Needlepoint. The deep yoke and back of beautiful black Persian lamb flatter your face as only fine fur can, and the fur panels are planned to give you a slim look. **79.95**

#### LEFT:

Dependable Gabardine Classic Suit that come to you proportioned to fit your figure whether you are tall, short, or average height. So smart and new looking with its soft, feminine shoulders, hand-picked edges, slim skirt! **39.95**

**Cambrooke Zip-In  
Lining Coat of  
100% Wool Suede**

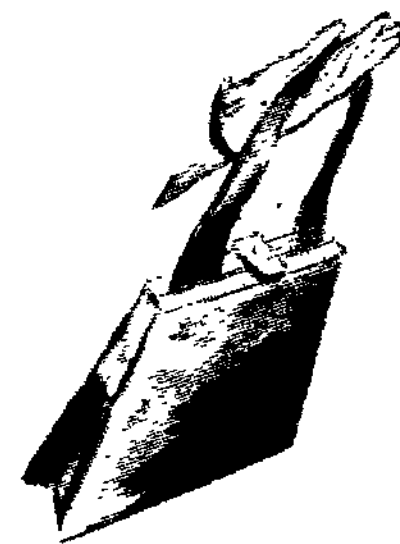

**49<sup>95</sup>**

Not only is this warm Cambrooke exclusive a wonderful coat to have in your wardrobe for the most changeable weather, but its special sunburst-seamed design tells an interesting story. In order to eliminate that bulky look that wool zip-in lined coats used to have, our exclusive manufacturer planned this coat with 10 sunburst gores, to give you a pleasing-fashionable flare coming from below the naturally rounded shoulders. You'll love it in Romantic Grey . . . as well as brown, black, green, or wine.

### All Grey Jewelry

makes your all Romantic  
Grey costume sparkle. Neck-  
laces and earrings from \$1\*

### Handbags

lend their charm in plastic  
to your costume to give that  
all grey appearance **4.95\***

### Handkerchiefs

that will flutter from your  
handbag in Romantic Grey  
floral prints, ever so lovely. **\$1**

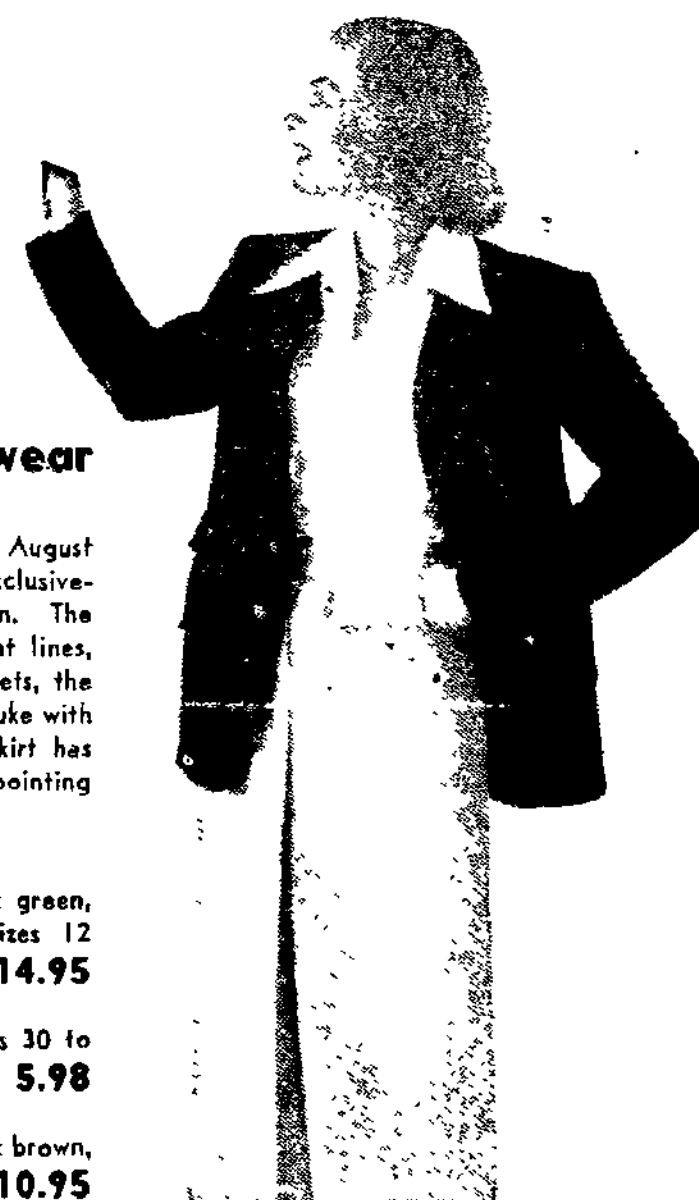

### Romantic Grey In Your Favorite Clairborne\* Sportswear

You saw this outfit in the August "Mademoiselle" . . . you'll find it exclusively at Metzger-Wright's in Warren. The corduroy "boy" jacket has straight lines, leather buttons and multiple pockets, the shirt is crisply tailored Bur-Mil Silduke with action back, French cuffs. The skirt has slim lines, trim waist flaps, arrows, pointing to a high kick pleat.

• Boy Jacket—grey, beige, dark green, raisin brown, dark brown. Sizes 12 to 18. **14.95**

• Shirt—white and colors. Sizes 30 to 40. **5.98**

• Skirt—romantic grey, beige, dark brown, dark green, black, navy. **10.95**
